

April 8, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Buckley Community Schools. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Laurie Walles, superintendent, for assistance.

The AER is available for you to review electronically by visiting the following web site www.buckleyschools.com, or you may review a copy in the main office at your child's school.

State law requires that we also report the following additional information on our district.

Student assignments are based on the grade level in the district. Elementary students (K-6) are placed equally in classes. Secondary students (7-12) are placed in courses which fit their academic needs, state and local expectations as well the Education Development Plan (EDP), which developed in seventh grade.

Parent teacher conference attendance is excellent at the elementary and middle school with limited participation at the high school level.

Our school improvement plan is in process and we actively pursuing a bond issue which would add classrooms and 1:1 technology for all student in grades 5-12 to enhance 21st century learning in 2016.

Buckley Community Schools provide students several opportunities to learn in settings other than the traditional classroom setting including programs through the Traverse Bay Area Intermediate School District, the American School, the Michigan Virtual High School, and dual enrollment options at Northwestern Michigan College.

Information about our core curriculum is available at the state's website: Michigan and the Common Core State Standards —

http://www.michigan.gov/mde/0,4615,7-140-28753_64839_64848---,00.html;

Students at Buckley Community Schools have taken NWEA assessments for several years. Assessment results for the past two years can be found in the following table:

We use this information regularly to problem solve and improve instruction for all students.

We are excited about the progress we have made as a school district during the past several years. Our strategic plan is based on attaining a level of 520 students with 80% of them showing growth on an annual basis and achieving a 15% fund balance-all within five years. We are aggressively pursuing growth in Buckley, Michigan where "Every Student is our First priority!"

Yours in education,

Laurie M. Walles, Superintendent
Buckley Community Schools
