

Advance notice of Pesticide Treatment

This notice is to be provided whenever a pesticide, other than bait or gel formulation, is to be applied at this Facility. The information will be posted using the methods identified in the Annual Notification

Attention: This facility utilizes an Integrated Pest Management program for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please Be advised that a pesticide is expected to be applied to control: General Pest

The approximate location of this pest control treatment is: Soccer field

The anticipated date of treatment will be: 8-4-2026

If you have questions pertaining to this treatment, please contact:

Joe Hoch
